# *Bardonomics*

---

All markets the Ox-Herder enters are free  
since we are rational behaving human beings.

Every transaction we make is not about money,  
but opens the door to unlimited living.

The accumulation of capital in the hands of just a few  
opened Pandora's Box for our generative society.

---

A form of evolutionary dissonance up to the point  
we find out which problems really need solving.

In Bardonomics we catalyze into Absolute Freedom,  
since you are the light watching itself dream.

It deepens the Trust in our collective intelligence  
to ground sustainability dipped in deeper meaning.

To transform an economy based on personal needs  
to a civilization embracing transpersonal Being.

An Affluent Society posts messages in a Bardobottle:  
“May whoever finds this feel  
as Happy as My Straw Hat Crew.”
