
Fisher King

The Fisher King asks his Knights to shoot
Some Wild Ducks to heal the wounds of his country.

A Mallard to understand who we really are,
A Teal to break the seal,
A Tufted Duck to bring good luck,
A Red Headed Pochard to play gentle guitar,
A Shoveler for a rainbow above the sky,
A Wigeon to persist on the holy Quest,
A Pintail to finally find the Grail,
A Smew to celebrate we can start anew,
A Scaup to empty the smelly swamp,
A Mandarin to sing and spread the message,
A Golden Eye to bring Light that never dims,
A Goose Ende to become eternal friends,
A Carolina to find the right Madonna and
A Red Merganser to keep on Dancing night and day.

Quite satisfied the King just lacks his favorite meal:
Some Wild Salmon from the River Dee!
